

THE FAMILY'S MESSAGE OF GRATITUDE

With hearts filled with love and gratitude, our family extends our sincere appreciation to each of you who has surrounded us with love during this most difficult time. Every prayer whispered, every comforting word spoken, every embrace shared, every call, visit, flower, and thoughtful act of kindness has meant more to us than words could ever express.

Although our precious little angel was with us for only a short while, the love she brought into our lives will remain with us forever. We are deeply grateful to everyone who has helped us celebrate her precious life and honor the beautiful memories she leaves in our hearts.

As we continue to cherish her memory, we pray that God blesses each of you for the compassion, strength, and love you have shown our family.

With heartfelt love and appreciation,
The Family

MAZHARI JERMANI JOHNSON

A PRECIOUS GIFT ARRIVES

On June 24, 2026, God blessed this world with a beautiful baby girl, Mazhari Jermani Jackson. From the moment she arrived, Mazhari filled the hearts of her family with a love that words could never fully express. Affectionately called “Angel” and “Sugga Mama,” she was a tiny bundle of joy whose presence made an everlasting impression on everyone blessed to know and love her.

Mazhari was born with heart problems and faced challenges from the very beginning of her young life. Yet through it all, this precious little girl displayed a strength far greater than her tiny frame. Every day with Mazhari became a gift—filled with prayers, kisses, cuddles, and an abundance of love from a family who cherished every moment with her.

TWO MONTHS OF LOVE

During her two precious months, Mazhari created memories that her family will carry forever. Even at such a tender age, she had already developed her own sweet personality and special little ways. One treasured memory was Sugga Mama getting her “cookies” from the milkman, a simple and precious moment that brought smiles and happiness to those who loved her.

Mazhari’s life reminds us that the significance of a life is not determined by its length. In just a little over two months, she gave her family a lifetime of love. Her tiny hands touched hearts, her presence brought families closer, and her beautiful memory will forever remind those who loved her to treasure life’s smallest and sweetest moments.

SAFE IN THE ARMS OF GOD

On August 29, 2026, after courageously facing the challenges placed before her, precious Mazhari exchanged the loving arms of her family for the eternal arms of God.

Though her family would have given anything for more time, they find comfort in knowing that their Angel is now resting peacefully—free from every struggle, surrounded by perfect love, and safely held in God’s care.

Her little hands may no longer reach for ours, but the imprint they left upon our hearts will never fade.

FOREVER IN OUR HEARTS

Mazhari leaves her beautiful memory to be forever cherished by her loving father, Marcus Johnson; mother, Zakerria J. Griffin; brothers, Marcus Johnson, Jr. and Makari Johnson; paternal grandmother, Dana Mathis-Madison; maternal great-great-grandmother, Queen Blackshear; and paternal great-great-grandfather, Freddie Lee Johnson, Sr.; along with a host of loving family members and others whose hearts were forever touched by her precious life.

Mazhari was here for only a little while, but she will be loved for a lifetime. Sleep peacefully, Angel. Sleep peacefully, Sug
