*It's gonna be a long long journey  
It's gonna be an uphill climb  
It's gonna be a tough fight  
There's gonna be some lonely nights  
But I'm ready to carry on*

*I can start living now  
I feel like I can do anything, finally  
I'm not afraid to breathe*

*Thinkin' bout life's been painful  
Took awhile to learn how to smile*

*So now I'm gonna talk to my people about the storm*

*I can start flying now, my best days are  
right in front of me. Yet, I'm almost there,  
Cause now I'm free*

*I know where I'm going cause I know where  
I've been, I got a few stars that show I'm going to  
stay strong. Keep going that's the way that I'll win*

*Nothing 'bout my life's been easy,  
But nothing's gonna keep me down,  
cause I know a lot more today  
Than I knew yesterday  
So I'm ready to carry on*
