LOVING TRIBUTES

TRIBUTE FROM SISTERS

As we sit here and ponder, how very much we'd like to talk with you today, there are so many things we wish we could have said.

Our sister, we know how much you cared for us, and we hope you always knew how deeply we cared for you.

Each time we think of you, we are reminded of the love and memories we shared.

An angel came and took you by the hand, and said your place was ready in Heaven, far above.

Though you had to leave behind all those you dearly loved, your love will forever remain with us.

You had so much life to live and so much more to give.

It still feels impossible that God called you home.
But though your life on Earth has ended, we believe your journey continues in Heaven.
And though you have walked through Heaven's gates, we know you are never truly far away.

For every time we think of you, you are right here— deep within our hearts.
Forever loving you,

Your Sisters,

Lelia Charles & Selina Charles

TRIBUTE FROM BROTHERS

Since you passed away, life just hasn't been the same. We would move Heaven and Earth to have you here with us again.

We are so grateful for the years we shared and for the special closeness we had.
Your heart was always kind and thoughtful, and we always knew how much you cared.

Your life was a precious blessing, and your memory we will forever treasure.
You are loved beyond words and missed beyond measure.

So, we send this special message to Heaven above,
asking the angels to watch over you and carry with them all our love.

You were not only a wonderful sister, but someone we could always call a friend.
We miss you more than words can express, and our love for you will never end.

Forever and Always in Our Hearts, Your Brothers,

Milton, Thomas, Arthur & Henry Charles

LOVING TRIBUTES

A TRIBUTE TO OUR GRANDMOTHER FROM HER GRANDCHILDREN/GREAT GRANDCHILDREN

Today, we honor and remember our beloved grandmother, a woman whose love touched each of our lives in ways we will never forget. Losing you has left a space in our hearts that can never be filled, but we are grateful for every memory, every hug, every word of wisdom, and every moment we were blessed to share with you.

Grandma, you were more than our grandmother-you were a source of love, comfort, strength, and guidance. You taught us lessons that we will carry with us for the rest of our lives. Your love helped shape who we are, and your memory will continue to guide us as we grow.

Although we wish we could have more time with you, we find comfort knowing that your love will always live within us. We will continue to tell your stories, cherish your memories, and keep your name alive through the generations to come.

We love you more than words can express, Grandma. Thank you for loving us, believing in us, and giving us memories we will treasure forever.

Rest peacefully, Grandma. You will forever be loved, forever be missed, and forever be a part of us.

With all our love, Your Grandchildren/Great Grandchildren

A HEAVENLY REUNION

"Mom, it's so good to see you! We've been waiting for this moment. You don't have to worry anymore-there's no pain here.

Dad is here, and we're all together again. We've missed you more than words could ever say, and our hearts are filled with joy to see you again. Welcome home, Mom. We have so much to catch up on, so much love to share, and so many memories to revisit.

We're finally together again."

-Charles Robertson, Sr., Charles Robertson, Jr., and Charlie Robertson

LOVING TRIBUTES

A HEARTFELT FAREWELL TO MY FAMILY

As I prepare to say goodbye with deep sorrow of leaving y'all. I want y'all to always remember how much I love y'all. I know leaving y'all has cause heart ache for a lifetime, but I hope the love I have given you all over the years gives you all some comfort. Being a part of you all has taught me lessons, has given me love I have never experienced and most of all happiness that has carried me for years. You all have filled my life with joy, hope, love and countless memories I will cherish forever.

I want you to always remember the lessons and jewels I have placed upon y'all. Remember to love one another, to cherish one another and to keep the love we have shared alive in your hearts. With all the love we have shared I pray you all carry it with y'all as you complete life.

As you all continue life remember life has challenges that may try and break you but with God and the strength of each other you all will make it through life. I want you all to always pursue y'all dreams and be unapologetically you. Always keep the laughter we have created over the years and treasure every moment together. Always remember family is everything without family we are nothing. Though I may not be here with you all in body, but my spirit will always be with y'all, loving and guiding you from afar. Thank you all for being my everything. I love you all more than these words can express.

As y'all lay me to rest today with deep pain I hope you all remember the love, laughter and compassion we have shared together. John 14:1-3 "Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am". This is a promise of eternal life and reunion in heaven. Thank you all for the times and love we shared.

Love Always, Corstine Robertson
