"KENLANDA'S WHISPER"

Do not hold only to the pain, or the way my journey closed.
Remember laughter, hugs, and love – the truest part I chose.

Tyler, Kaitlyn, sweet EJ, my heart is wrapped in you.
Though hands of harm have stilled my voice, my love still carries through.

Stand strong, my darlings, lift your eyes, and let hope be your guide.
For even though I walk with God, I'm ever by your side.

And when the night feels heavy, or the road feels hard to see,
Know heaven holds you close tonight, and you'll always have all of me.

TRIBUTES OF LOVE

Mom

We didn't get enough time with you,
But the love you gave will always stay.
You held us close, you kept us safe,
And taught us strength in every way.
Your laughter still echoes in our hearts,
Your smile is a light we'll never lose.
Though life was taken far too soon,
Your love is something we'll always choose.
We promise to carry your dreams within us,
To live with kindness, just as you would do.
Mom, we'll forever be your children,
And we'll spend our lives honoring you.
Rest in peace, our precious mother,
Your spirit lives in all we do.
Though the world took you from our arms,
It can never take our love for you.

Tyler, Kait, EJ

Our Child

Our precious child, our greatest gift,
You blessed our lives with love.
Though we must let you go too soon,
You've found your peace above.
We'll treasure every memory shared,
The laughter, hugs, and tears,
Your light will guide us all our days,
Your love lives on through the years.

Your Dad and Mom

Sister

To our sister, our forever friend,
Our bond will never end.
We shared our secrets, dreams, and fears,
A love that time can't bend.
We'll miss your voice, your joyful ways,
The moments we once knew,
But deep inside our hearts we'll keep
A lifetime's love for you.
