I will remember you

Memories flood My mind;
Of Treasured days gone by.
Only yesterday; or so, it seems.
A lifetime it was, snippets, bits, and pieces.
I will think of you, Billie Jean.
Our connection, heartfelt and genuine.
And I will miss you.
A friendship so Dear; I can see your image and hear your voice so Clear. Joy, laughter, love, well shared.
I feel your presence near.

I reminisce, and there you are:
living life to its fullest!
Savoring every moment!
Enjoying delicious food, beloved family, and great conversation!
Your friendly, outgoing nature;
Loving, giving ways;
Drawing everyone in.

What a beautiful, love story, life, family.
A "Pete and Billie" Creation;
Loving, dedicated, accomplished. Gathering your family near.
So proud. Embracing children, grandchildren, and great grands too!

I am reminded of the dearness, the gratitude I have for a lifetime, (68 years) of talks, visits, sharing and caring.

I sit in thoughtful contemplation.
Sad, Happy, Tearful-All
I will remember You.
