A Celebration of Life
Sherry Marie Johnson

Sherry Marie Johnson, 65, of McPherson, KS, and formerly of Kirwin, KS, peacefully passed away on Sunday, March 8, 2026, surrounded by family at Wesley Medical Center, Wichita.

She was born on September 10, 1960, in Smith Center, KS, the daughter of Robert Leroy and Charline Kay (Cox) Capps. Sherry graduated from Eastern Heights High School in Agra, KS. On February 28, 1999, Sherry was united in marriage to Galen Deryl Johnson in Kirwin, KS.

Sherry worked at Braum's in McPherson where she held a variety of positions over the years. She was a member of ABATE of Kansas District 9 and especially enjoyed riding motorcycles and birdwatching.

One of Sherry's favorite places was outside, where she could enjoy the sound of birds singing. She had a special way of whistling along with their melodies, as if she were in harmony with the world around her. Her love for nature didn't stop

there—Sherry had a passion for flowers, and her prized hibiscus plant was a source of pride for her. Every year, she eagerly counted the blooms, a fun tradition she shared with her neighbors as she happily claimed bragging rights for her green thumb.

Sherry's adventurous spirit was matched by her love of motorcycles. For many years, she and her husband, Galen, attended the Sturgis Motorcycle Rally, and they were proud supporters of the local Abate chapter. They were often found sitting outside together with their fur babies, Molly and Sally, enjoying the peaceful moments of their lives.

Family was at the heart of everything Sherry did. She cherished her trips to Kansas City to visit her daughters and grandson, where they would spoil her with bird watching on the patio, thrifting, card games, and even matching tattoos. Her son-in-law was known to insist on preparing her favorite meal of salmon and potatoes for each visit—a simple yet loving gesture she always appreciated.

In 2024, Sherry was diagnosed with breast cancer. With the same strength and resilience she approached every challenge, she bravely underwent chemotherapy and radiation, completing her treatments with determination.

Sherry loved being around people and continued to work because of the strong relationships she had with her coworkers and

Loving Memory

customers. Whether it was gathering with close friends or spending time with family, her greatest joy was making others feel seen, heard, and loved. She had a rare gift for making those around her feel like family, creating lasting bonds and leaving a mark on their hearts.

Survivors include her loving husband of 27 years, Galen of the home; daughters, Aubrey Miller (Duece) of Shawnee, KS, Calista Speake of Liberty, MO, and Suzanne Bohl of Phillipsburg, KS; father, Robert Capps of Kirwin, KS; siblings, Charlotte Issler of Atkinson, NE, Roberta Atchison (Jimmy) of Kirwin, KS, and Rick Capps (Rolanda) of Kirwin, KS; five grandchildren, Hudson Speake, Heather Sauer, Lauren Miller, Bethany Bohl, and Mark Harmon; six great-grandchildren; and many extended relatives and friends.

She was preceded in death by her mother, Charline Capps; son, Andrew "A.J." Johnson; grandson, Cody Harmon; and son-in-law, Darrell Bohl.

Sherry's love for life, her family, and the simple beauty around her will never be forgotten. She leaves behind a legacy of laughter, adventure, and a deep connection to the people and world she loved.
