

Pawpaw, you were more than my grandfather you helped raise me and shaped the person I am today. I'll forever cherish the memories, lessons, laughs, and love you gave me. I wish I could have had more time with you and one more chance to tell you how much I love you. You and Mawmaw were my home, and a part of you will always live in me. I hope you know how much your A-head loves you. I miss you, I love you, and I'll carry you in my heart forever.

Until we meet again. ❤️

Dad, thank you for loving us, raising us, and helping shape the men we are today. We'll always be grateful for every sacrifice, lesson, laugh, and memory you gave us. We wish we had more time and more chances to tell you how much we love and appreciate you. You may be gone, but everything you gave us will live on through us. We love you, Dad.

We'll carry your memory with us forever. ❤️

Always in My Heart

You were more than the father of my children—you were my friend and someone who meant so much to me. I'll always cherish the years, memories, laughter, and even the arguments we shared.
