

“Disciple of Christ”

“When the stars burn out and the strong winds come
I will lift my eyes to the rising sun
He is the Prince of Peace, He steadies my soul
I am His hands and feet, the whole world will know.

I'm a disciple of Christ, I will never leave Him
He is the truth and the life, He's the strength in my weakness
I will shine 'til the whole world sees
He's the light that will set us free
I'm a disciple of Christ.

Out of all the paths that I could take
Giving Him my life was the only way
He is my fire by night, the air in each breath
So I'll stand and testify again and again.

I'm a disciple of Christ, I will never leave Him
He is the truth and the life, He's the strength in my weakness
I will shine 'til the whole world sees
He's the light that will set us free
I'm a disciple of Christ.”
