

## *Family Acknowledgements*

We, the family wish to extend our sincerest appreciation to our many friends and family for all the acts of kindness shown during our moments of sorrow. The Lord has been good to us, and we thank you for being there with us. May God forever bless and keep you'll and each of you are in our prayers.

### A Second Mother's Love

Though not by blood, a mother's heart you held,  
Your love, a beacon, bravely compelled.  
Through laughter shared and tears you dried,  
A guiding hand, where I could always confide.  
Your home, the dinners, stories you'd tell,  
Your wisdom, kindness, cast a lasting spell.  
You were there for joys, and when I felt the pain,  
Your loving presence, a soothing, gentle rain.  
Now silence echoes, where your voice used to be,  
A void remains, that only you could fill, truly.  
But memories linger, like sunshine on my face,  
Your love is a treasure, in this sacred space.  
Though gone from sight, your spirit takes flight,  
A guiding star, shining ever so bright.  
Forever in my heart, your memory will reside,  
My second mother, forever by my side.

Love always and forever
