## TRIBUTES

### "Missing You Always"

You never said you was leaving,  
You never said goodbye.  
You was gone before you knew it,  
And only God knew it.  
And in life I love you dearly,  
In death I love you still.  
In my heart I hold a place  
that only you can fill.  
It broke my heart to lose you,  
But you didn't go alone.  
A part of me went with you,  
The Day God called you home.

### To My Daughter, From Mom

### "Letter to My Mom"

They say there is a reason.  
They say time will heal.  
Neither time or reason,  
Will change the way I feel.  
Gone are the days we used to share,  
But in my heart, you are always there.  
The gates of memories will never close.  
I miss you more than anybody knows.  
I love and miss you every day.  
Till we meet again,  
Always and Forever in my heart.

### Your Daughters, Jaquerria and Janiya

### "Farewell Dear Mother"

Somewhere in my heart,  
Beneath all my grief and pain.  
Is a smile I still wear,  
At the sound of your dear name.  
The precious word is mother,  
She was my world you see.  
Now my heart is breaking,  
Cause she's no longer here with me.

### Love your Sons, Tyquarius & Jaquavion

### "Sisterly Love"

We had our ups and downs, good or bad,  
But most of all we had each other.  
We were like two peas in a pod,  
No matter how far or near,  
You will always be in my heart.  
The bond we had was unbreakable.  
I love you, Sis.

### Your Sister, Concheta

### "You Meant So Much"

You meant so much to all of us.  
You were special and that's no lie.  
You brightened up the darkest day and  
the cloudiest sky.  
Your smile alone warmed hearts.  
Your laugh was like music to hear.  
I would give absolutely anything to have  
you well and standing near.

### Your Brothers, Melvin and De'Andre

### "Sister"

My sister, taken in a blink.  
From a life that was our link.  
To laughter, joy and whispered dreams;  
Now only echoes fill my streams.  
The silence where your voice should be.

A space to vast for me to see,  
Beyond this ache, this sudden blow.

A pain that makes no sense,  
You know we had forever in our plans.  
A future built on loving hands.

### Your Big Sister, Tracye

### "I Am at Rest"

Do not weep, for I am free,  
I left behind sweet memories.  
Hold me close within your heart,  
In love and spirit, we're never apart.  
Love Your Angel, Chickeyta

*"Your life was a blessing. your memory a treasure."*
