Patricia

There no other love like Patricia love.
There no other light like Patricia light.
I woke up today and walk pass your room.
Thinking you would be sitting on your bed.
I stop and stare without a word.
But I was screaming in my head.

Why, why, why!!!
And then I cry, cry, cry!!!
I wasn't ready to say Goodbye.

Trying to stay strong as you want me to be
but how can I if you're not with me!

Where do I go from here?
I feel so lost and confused.
There will never be another you!
There no other love like Patricia's love.
No matter how much someone try to fill.
There no other light like Patricia's light
I wonder If I ever heal.
