

Missing You

No words can ever say how much I miss you every day. As time goes by, the loneliness grows. How I miss you, nobody knows. I think of you in silence. I often speak your name, but all I have are memories in a frame. No one knows my sorrow. No one sees me weep, but the love that I have for you is in my heart to keep. I've never stopped loving you. I'm sure I never will; Deep inside my heart you are with me still. Heartaches in this world are many but mine is worse than any. My heart still aches as I whisper low. I need you and miss you so. The things we feel so deeply are often the hardest to say, but I just can't keep quiet anymore, so I'll tell you anyway. There is a place in my heart that no one else can fill. We love you so.
