

My Beloved Husband

My beloved Shafter Lewis,

God truly blessed me with you. As we exchanged vows and promised, "Till death do us part," that day seemed so far away. We believed we would be together forever, until eternity. While our time together was not long enough, I am forever grateful for the wonderful years we shared.

Through sickness and health, we remained faithful to one another, forsaking all others and cleaving only to each other. Nothing could separate us. Yet on October 7, 2026, death tried. It may have taken you from my sight, but it failed to take you from my heart. Though you are no longer here physically, you will always be with me in spirit.

Roscoe, I love you just as much today as I did all those years ago. I could always depend on you to provide, protect, and be my Perennial Rock.

Thank you for this journey, for the laughter, the tears, and the adventures we shared. Not a day goes by that I don't miss you: the phone calls, the "Good morning, Baby," your touch, and most of all, your warm and sincere heart.

I love you, Roscoe. Rest well, my love, until we meet again.

Karen

In Loving Memory of Shafter Lewis

October 7, 1962 – October 7, 2026

Shafter Lewis was born on October 7, 1962, in Hankamer, Texas, to Shafter Bias and Lillian Lewis. At an early age, Shafter accepted Christ and was baptized, beginning his spiritual journey.

After moving to Houston, Texas, Shafter attended several schools including Nimitz High School, where he played football and ran track while working part-time. Shafter, affectionately known as “Roscoe,” was a man who was always willing to lend a helping hand to anyone. He had a unique personality and enjoyed being controversial just to make people laugh.

His presence brought laughter, joy and unforgettable memories to those who knew and loved him.

Shafter enjoyed fishing, dominoes, card games, riding his motorcycle and traveling. He worked as a forklift operator for Grocery Supply, Akzo Nobel and Hood Container where he met and made many lasting friendships throughout the years. When he wasn't working, he spent much of his time on a creek, in an airplane or on a ship enjoying life's adventures and making memories along the way.

In 2014, Shafter met his Queen, Karen Wallace, with whom he shared the remainder of his life. Together they built a loving life filled with companionship, happiness, and treasured memories.

On October 7, 2026, the Lord called Shafter home, bringing his earthly journey to a close. Though his presence will be deeply missed, the love he shared, the laughter he brought, and the memories he created will live on in the hearts of all who knew him.

Those He Leaves to Cherish His Memory

Shafter leaves to cherish his memory his beloved wife, Karen Lewis; two sons, Shafter Shields and Corey Shields (Brittney); and three daughters, Alicia Washington (Michael), Krystal Brown (Frederick), and Taneika Liles.

He is also survived by three brothers, Leonard Gloston (Barbara), Johnny Bias, and Curtis Bias; and four sisters, Helen Bias, Darlene Bias, Annette Chatman, and Felicia Dillard. His bonus family includes Ceasar and Candice Fields, along with a host of grandchildren, great-grandchildren, nieces, nephews, extended family members, and dear friends.

Although Shafter has departed from this earthly life, his legacy of love, laughter, friends and adventure will forever remain in the hearts of those he leaves behind.

Good Times
