

Gone Golfin'

I've finished all the rounds I had to play,
So now I've teed off for a brighter day.

Please set my clubs beside the gate,
I've got a tee time I couldn't wait.

Where every fairway stays so green,
And every shot flies straight and clean.
No sand traps, storms, or tears to see,
Just endless peace and perfect company.

So don't be sad or worry for me,
I'm walking Heaven's course so free.

The Master keeps me by His side,
My perfect caddie and faithful guide.

We'll miss each other for a while,
Until I see your familiar smile.
When your final round is through,
I'll be waiting there for you.

To everyone who thinks of me,
Remember me with love and peace.
And if they wonder where I've been,
Just tell them I've gone golfin'.
