Peace In Heaven

*I wish I could have told you
My secrets and my fears
But once I started sinking
The days turned into years
Take no blame, for what I did
I failed to think of you
But right there in that moment
It seemed the thing to do
I couldn't see things clearly
That love was all around
God's light was always with me
His voice was always sound
I'm sorry that I hurt you
But know that I am safe
I've found my peace in heaven
Forgiven by God's grace
Perspective here is different
On Earth, it's hard to see
That even though you're grieving
My loss was meant to be
One day we'll come together
Our souls will reunite
Then you will know the reason
You cannot see tonight
Until then, hold my memory
But let your sorrows go
For pain is but a blessing
From which our spirits grow...*
