

Miss Me - But Let Me Go

When I come to the end of the road And the sun has set for me
I want no rites in a gloom-filled room
Why cry for a soul set free?

Miss me a little - but not too long And not with your head bowed
low Remember the love we once shared

Miss me - but let me go.

For this is a journey that we all must take And each must go alone
It's all part of the Master's plan A step on the road to home.

When you are lonely and sick at heart

Go to the friends we know

And bury your sorrows in doing good deeds

Miss me - but let me go.
