Cecile

was born in Gaspé' Quebec, on April 11, 1939, she came to The Pas, when she was a teenager. She came with the Nuns, to help and work with them. Cecile worked for the Catholic Church at Our Lady of The Sacred Heart Cathedral. Also she worked at St.

Anthony's Hospital both which are here in The Pas. Cecile also worked for Manitoba Telephone System for 25 years until she retired.

Cecile met the Love of her life, Victor Betz. They married October 12th, 1974 in Winnipeg, Manitoba. Cecile talked about her Victor every time we got together its like he'll be home soon. Together after marriage they bought a Brand New Mobile home which they lived in together and Cecile continued to live in there home they made together. She often said it was her shoe box because I guess it was kind of shaped like one. But going into her home was awesome feeling, very welcoming. Cecile had the most kind heart, very independent. Cecile said it would be their 50th wedding anniversary last October.

Cecile was a very good storyteller, always telling stories of the good ole days growing up in Gaspé' Quebec. than taking her Victor to try some Lobster. Victor and her adopted a Puppy named her "Lady Tara" she was beautiful. Cecile described her with love and gestured with her hands. Her stories included her trips everywhere, especially to Israel, that was one of her greatest joys in life. Of course after Victor and Tara. her traveling also took her to the far North of Manitoba, Pukatawagan where she says she was blessed to meet the people and the children. She spoke the same respect for Israel

as for Pukatawagan.

Cecile and Victor had no children, Cecile had one God Daughter, whom she held May 29, 1966 when she was 27 years old Cecile became a Godmother. Cecile and Lorraine May Nabess didn't meet again until, July 27th 1990 one day before Lorraine got married. They have been close since.

Cecile had many hobbies through the years. She loved helping Victor in the garden they had flowers and two fruit trees in the back of there home, which brought them great joy to tend. Cecile Loved Curling especially The Ladies, never missed curling if it was on TV. Cecile was a fan of the Home Shopping Channel, Cecile loved eating oranges, so I'm sure she's up in heaven picking from one of the twelve fruit trees. Her yard her property she tended with love. Cecile loved cooking, baking, knitting, crocheting, visiting, going for rides around town seeing the sights. Stopping for coffee and a cigarette was her relaxation in her later years. Going to the post getting so excited when she received a letter or a card from her family back in Gaspé'. she was always happy to hear of new members to her family, news in general. she enjoyed sending and receiving cards or letters parcels were awesome especially from her sisters always something pretty for her.

Cecile was very much loved by her siblings, their were six of them, three brothers and three sisters. Her little sisters looked up to their big sister Cecile always following her where she went. They shared everything growing up as sister do. Cecile was well respected by her all her siblings.
