Mack's Gallery

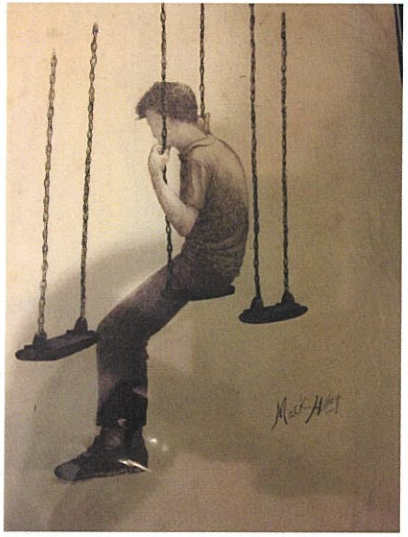

"Every good gift and every perfect gift is from above." — James 1:17

Every line he drew was a prayer in
pencil and charcoal.
God placed a gift in Mack's hands,
and he shared it with the world.
In every face and every shadow,
you can see the soul he put into it.

Committal

I'm There Inside Your Heart

Right now, I'm in a different place

And though we seem apart

I'm closer than I ever was,

I'm there inside your heart.

I'm with you when you greet each day

And while the sun shines bright

I'm there to share the sunsets, too

I'm with you every night.

I'm with you when the times are good

To share a laugh or two,

And if a tear should start to fall

I'll still be there for you.

And when that day arrives

That we no longer are apart,

I'll smile and hold you close to me,

Forever in my heart.
