Her Life, A Blessing

She lived with kindness in her heart,
love in her actions, and faith to guide her.

Her life was a blessing,
her memory a treasure.

*"What a wonderful thing is death, really,
when all is said and done. It is the great reliever.
It is majestic, quiet passing on from this life
to another life, a better life. We go to a place
where we will not suffer as we have here,
but where we will continue to grow, accumulating
knowledge and developing and being useful
under the plan of the Almighty made possible
through the atonement of the Son of God."*

Gordon B. Hinckley
