## His Journey

### Time to Live:

**TAVON L. WILLIAMS**, the beloved son of Valerie D. Williams and Edward Williams Jr, was born on June 1, 1981 in Baltimore, Maryland. Tavon affectionally known as **"TAY BAY"** departed this life unexpectedly on Tuesday, November 14, 2023.

### Time to Learn:

Tavon was the youngest of his siblings. He enjoyed growing up with his oldest brother Edward (Marbles) and sister Shawnta. At a young age their mom instilled the values and morals of life. She would spend countless hours in the library to perfect their reading and spelling skills. Their family bond was infinite. Tavon received most of this education in the Baltimore City Public School Systems. He attended Steuart Hill Elementary School, Booker T. Washington Middle School and Frederick Douglass Senior High School. Later, Tavon earned his High School Diploma.

### Time of Labor:

Tavon was a dedicated employee at the Green Bay Company for over 10 years. He was a certified Forklift Operator. Additionally, Tavon worked for Wendy's part-time as a Crew Leader. He was always willing to assist the team in any capacity and has been the recipient of numerous awards. Tavon's main priority was providing for his family.

### Time to love:

Tavon was a loving father of five beautiful girls: Azyrie, Tayona, Ta`Myra, Ta`Mera and baby Ta`jia. His girls changed his world and made his life rewarding. His space was filled with joy every moment with them. Tarsha "Renee" was the love of his life. They enjoyed traveling, going out to dinner as a family, taking their girls swimming, cheerleading and to the parks. Tavon enjoyed eating crabs and watching "The Raven's Game" with his family. Tavon had a larger than life family man personality. He had a heart of gold, sense of humor and showed unconditional love for his daughters, family and friends. His infectious personality often touched anyone who crossed his path, placing a smile on their faces and heart. Whether it was in person, a family gathering, text, social media post or phone call. Tay Bay was not just the life of the party, he was the party. Tavon was the true definition of a "Girl Dad" and family man.

### Time to Shine:

**TAVON'S CHARISMATIC PERSONALITY LEFT AN INDELIBLE IMPRESSION ON YOUR HEART. HE LOVED FAMILY, SINGING, ACTING, DANCING AND HELPING OTHERS. TAVON WAS A KIND HEARTED, OUTGOING, HELPFUL, TALENTED, DEDICATED, STRONG-WILLED, SELF-RELIANT, YOUNG MAN WHO LOVED EVERYONE. TAY BAY WILL BE MISSED BEYOND MEASURE.**

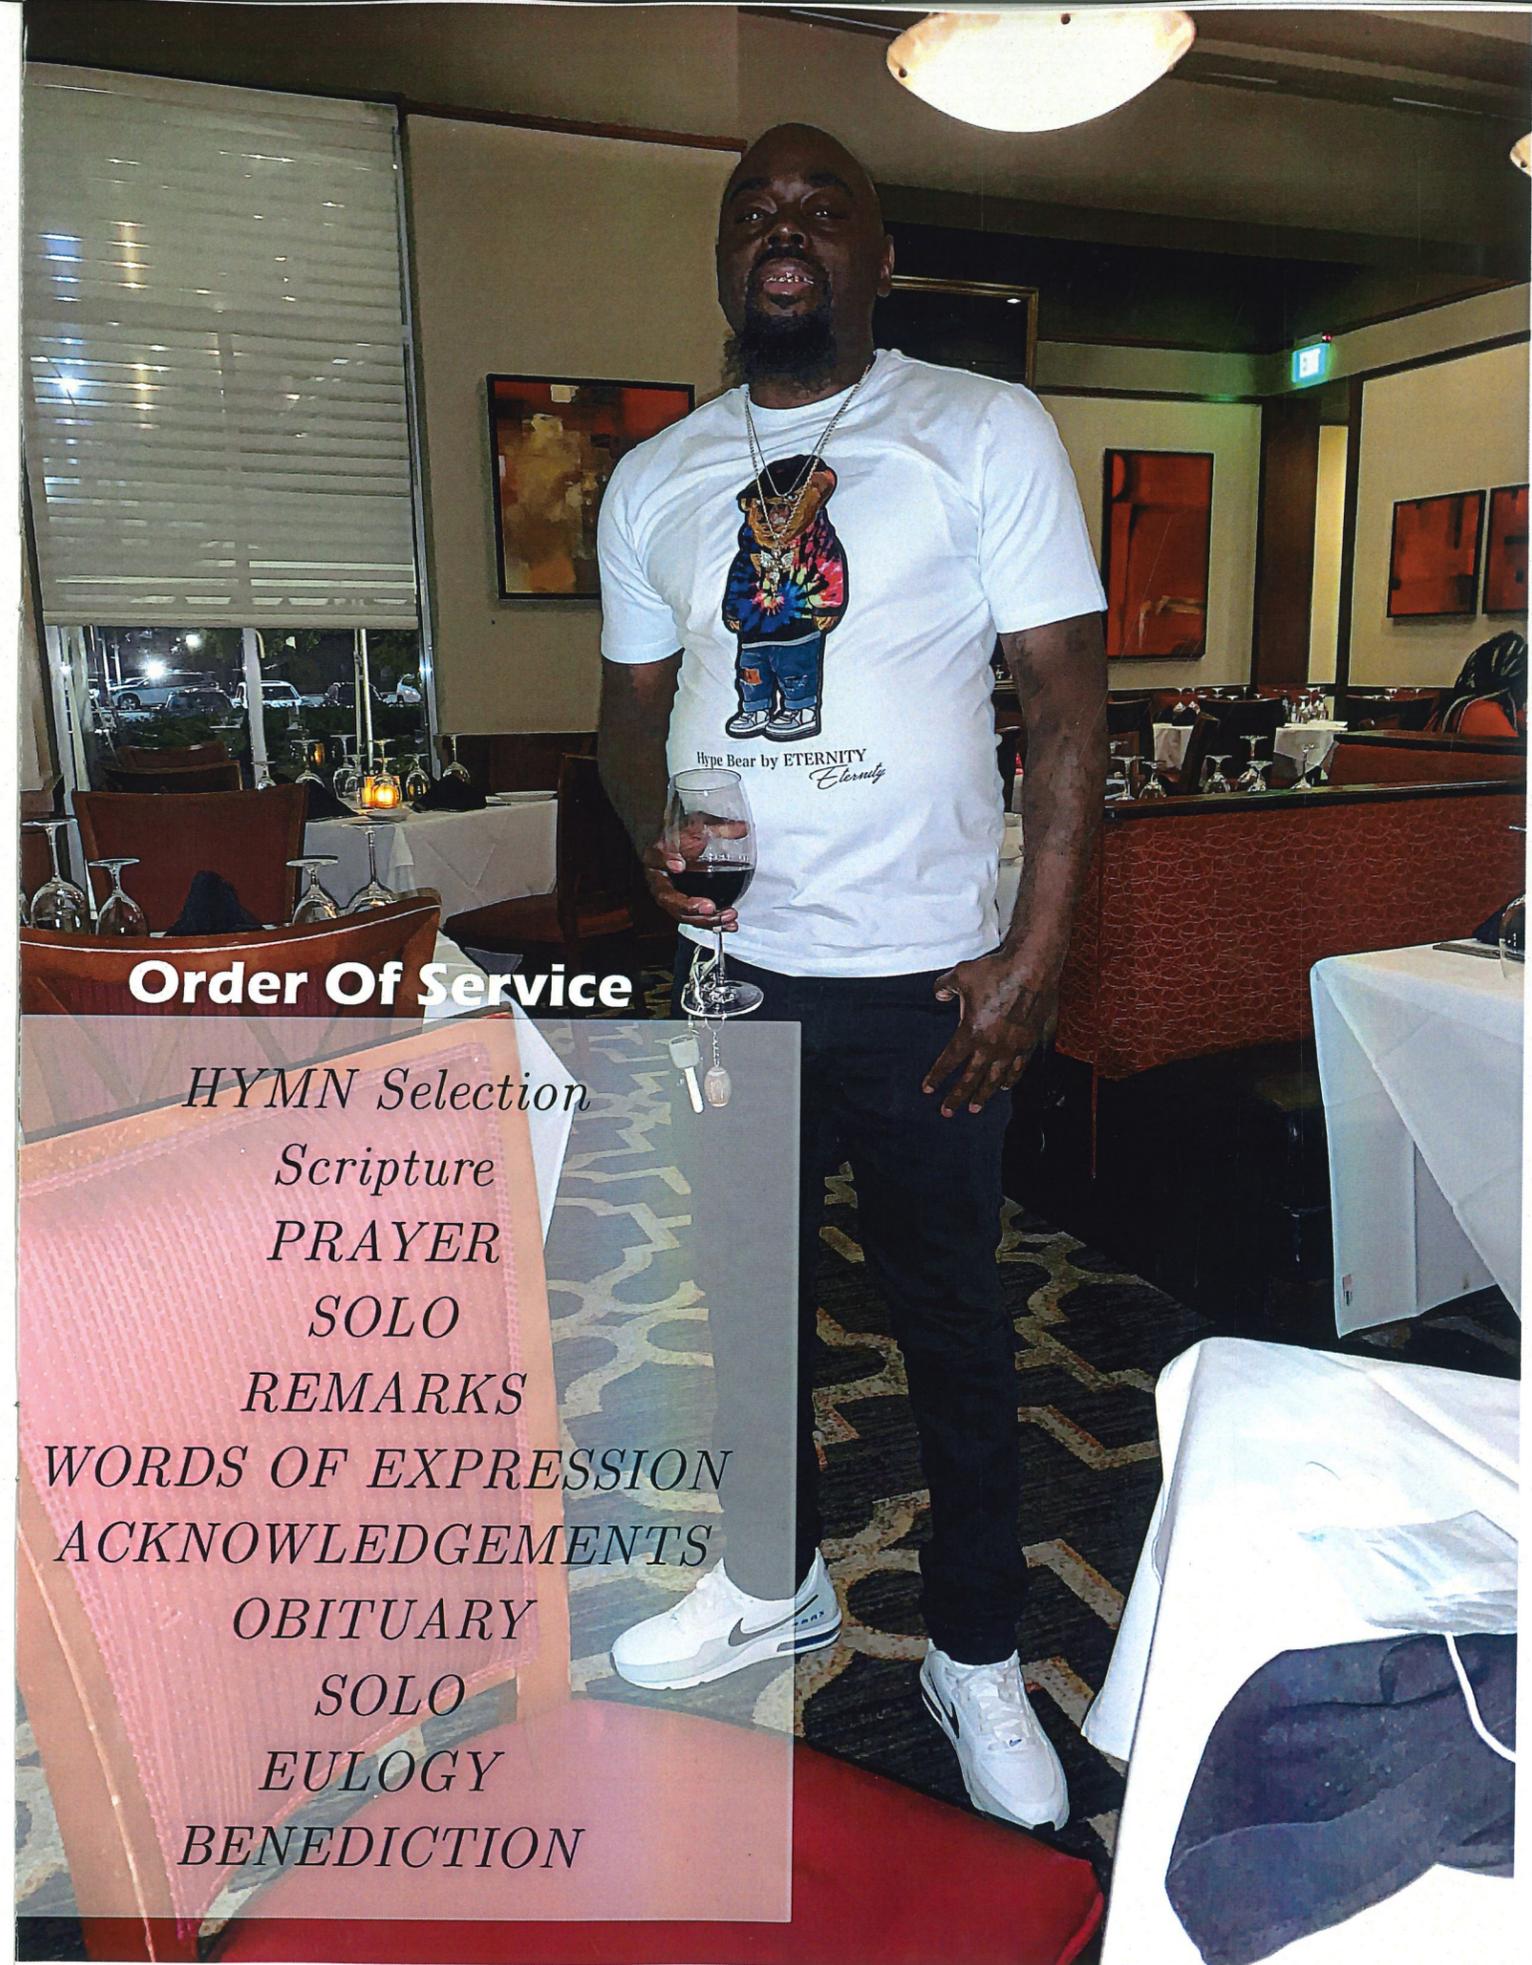

### Time to reminisce:

Tavon was preceded in death by his precious daughter Angel Azyrie A. Williams (Tay Baby), his mother Ms. Valerie D. Williams (PyePye) and his sister Shawnta R. Hunter.

### Time to Treasure:

Tavon leaves to treasure his memory: His devoted fiancé: Latasha Walker, His four beautiful daughters: Tayona, Ta'myra, Ta`mera, Ta`jia, two bonus Daughters: Ashyia and Ashley, His extended family: Tia Taylor, His father Edward Williams Jr., his two brothers Edwards Williams III and Javon Williams, one sister Essence Webb; His six nieces: Getia Lane, Tenia Hunter, Takhirah Williams, Melyssa Webb, Logan Williams, His five nephews: Milton Boyd III, Edward Holmes Jr., Juntae Williams, Kiam Williams, Zyaire Webb, His three: great nieces, His eight: great nephews, His three aunts: Barbara D. ### If Tears Could Build A Stairway

If tears could build a stairway and memories were a lane we would walk right up to Heaven and bring you back again. No farewell words were spoken, no time to say goodbye, you were gone before we knew it and only God knows why. Our hearts still ache in sadness and secret tears still flow, what it meant to lose you no one can ever know. But now we know that you want us to mourn for you no more, to remember all the happy times, life still has much in store. Since you'll never be forgotten we pledge to you today a hallowed place within our hearts is where you'll always stay.

Love your Forever-Tasha Renee

### Together Again

I couldn't wait to see you again. Daddy take me by my hand and hold me forever. We are together again. Love Azyrie (Tay Baby)

**Dad**  
We'll always remember that special smile, that caring heart, that warm embrace, you always gave us. You being there for Mom and us through the good and bad times no matter what. We will always remember you dad because there will never be another one to replace you in our hearts and the love we will always have for you. Love Ashyia

### When I lost You

I wish I could see you one more time, Come walking through the door But I know that is impossible I will hear your voice no more. I know you can feel my tears And you don't want me to cry, Yet my heart is broken because I can't understand why someone so precious had to die. I pray that God will give me the strength And somehow get me through As I struggle with the heartache that came when I lost you. Love Ta'myra

### You Never Said Goodbye

You never said I'm leaving, You never said goodbye, You were gone before I knew it. A million times I needed you, A million times I cried, If love alone could have saved you You would never die. In life I loved you dearly, In death I loved you still, In my heart you hold a place, That no one could ever fill. It broke my heart to loss you, But you did not go alone, For part of me went with you The day God took you home. Love Baby Ta'jia

### In Memory of My Dad

If I could write a story It would be the greatest ever told Of a kind and loving father Who had a heart of gold If I could write a million pages But still be unable to say, just how Much I love and miss you every single day I will remember all you taught me I'm hurt but won't be sad Because you will sent me down anwers And you will always be my daddy Love Tamara

### In Loving Memory of My Dad

You are at peace, your soul at rest But that won't stop my tears. As I remember the special times we shared over the years, Dad you taught me oh so many things and showed me the way. You helped me overcome the hard times To be the person I am today. Though, I am still your child and you are no longer here I'll never let go our memories I'll always hold them dear. Love Tayona

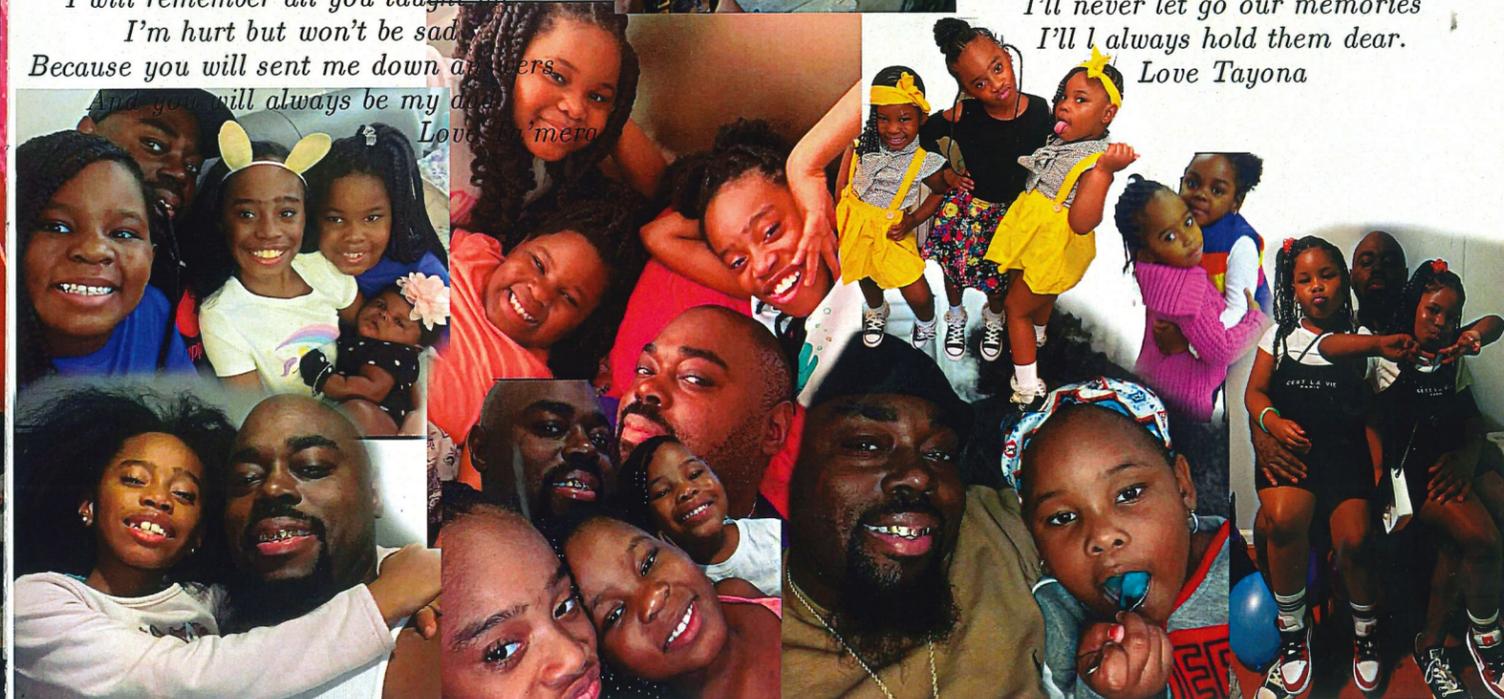

### A MUCH-LOVED UNCLE

The day that God called your name it broke my heart in two. But heaven needed an angel and the one he picked was you. I just wish he could have waited and let you stay with me. But you left your memories in my heart and that's where they'll always be. I just wish I could rewind the clock or make it turn slow. I could have hugged you one more time before you had to go. No matter how much time will pass, I'll miss you every day: Keep shining bright in heaven so you can light my way. Love your Nieces and Nephews. Milton, Getia, Tania, Edward

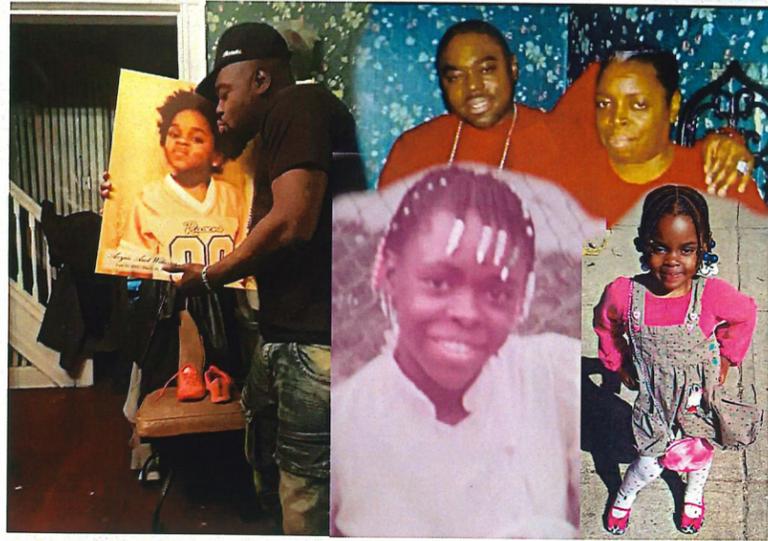

### Brother Love.

Your life was a blessing, your memory a treasure and you are loved beyond words. There is still so much pain, yet you were always filled with love. For I know the angels will take care of you and continue to give you all my love. Your cherished memories will live on like the legacy of love that you are. Brothers forever, Edward
