The Smallest Star

A tiny life, a fleeting, golden spark,
That left a trail of light across the dark.

Too brief the time, too short the days we shared,
To show you just how deeply we all cared.

But love is not defined by length of years,
It's found within the salt of all our tears.

So when I miss the touch of your small hand,
I'll look to where the cosmic oceans span.

Until We Meet Again in the Stars

Love, Mom and Dad
