

My Angel in Heaven

Sometimes in life there are losses. Losses that can never really be replaced. Losing you has been the hardest thing I've ever had to live with. I wasn't ready to say goodbye. I wasn't ready to let you leave. I would give anything for just one more day, just one more second. But I've learned to trust in unconditional love. Because the one profound thing about death is that love never dies. Some bonds cannot be broken. Because even though you're not physically here, your heart is - it lives on within me. I carry your heart inside mine. I carry it on days when I discover something new. I carry it on days when beauty unfolds in the most unexpected places. I carry it on days when I find courage to heal and to grow. I carry it with me - always. Someday we will meet again - and we will no longer be separated by time or space. But until that day, I'll find comfort in knowing that you are still with me. Your heart safely tucked inside mine. Some hearts just belong together and nothing will ever change that. I loved you then. I love you now. Always did. Always will. Forever in my mind. Forever in my heart. I will carry you.
