Mama

You have taught me so many things in life, except for, how to get through the remainder of mine without you. May the winds of heaven blow softly and whisper in your ear, just how much I love you and miss you. Until we meet again.

Love Lillie B.

A Sister's Love

A sister's love is never ending.

Our big sister and mom at time, we were like cake and ice cream, striving to live a godly life. We had a special bond from childhood to now. You cared for us and we cared for you. You always told us to watch our backs. You taught us so much in life and you taught all your siblings to care and see after each other. We shall always love you.
