Ava spent her life in Climax Springs and graduated as Valedictorian of Climax Springs High School in the Class of 2024. Ava was very involved in many activities while in school. She played Basketball where she was named All-District and earned numerous All-Tournament Team awards. She was President of National Honor Society, Vice President of Student Council and served as Yearbook Editor. Ava also graduated high school with twenty-seven college credit hours. She was currently attending Missouri State University where she was majoring in Elementary Education and most recently wanted to minor in ASL.

In her spare time, Ava enjoyed reading, doing artwork and was always down for a family game night or movie with the girls. She also loved music, dancing, singing karaoke and was known for her great sense of humor. Her smile and laugh were infectious, and she had an uncanny ability to light up any room she entered. Everyone who knew Ava adored her. She loved her family dearly and her brother and sister were her best friends.

Although her time on Earth with us was short, Ava will live on with us forever through the stories and memories shared of her. We celebrate her life, her accomplishments and will treasure the many wonderful memories she has created for her family and friends.
