Ain’t No Stopping Us Now

To My Husband

Eddie Johnson Young, 1975 was the year you came into my life

when I was 14 years of age.

My mom may have shut the door in your face,

but your resilience brought you back to the same door

when I was allowed to date.

Thank you for 51 wonderful years of friendship and 43 years of

marriage and for blessing our family with our amazing

daughter who has given us three beautiful

grandchildren, Jayla, Za’Riah and Amar’e.

You have fought a long battle so take your deserving

rest my love, until we meet again. Hugs and Kisses, D.
