

I Was Here

Written by Diane Eve Warren

Sung by Beyoncé

I want to leave my footprints on the sands of time
Know there was something that I left behind
When I leave this world, I'll leave no regrets
Leave something to remember, so they won't forget

I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know I was here

I wanna say I lived each day, until I died
And know that I had meant something in somebody's life
The hearts I have touched, will be the proof that I leave
That I made a difference and this world will see

I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know

I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I just want them to know
That I gave my all, did my best
Brought someone some happiness
Left this world a little better just because
I was here

I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I wanna leave my mark so everyone will know

I was here, I lived, I loved, I was here
I did, I've done
I was here, I lived, I loved, I was here
I did, I've done
I was here
