Secret...Tom didn't really want to have a service—
He thought inviting family and friends for a meal at
Dyer's BBQ (his favorite place) was more his style.
So immediately after the service that Tom didn't want to have,
you are all invited to join the family for a meal at

Dyer's BBQ

1619 S. Kentucky Street

"Our responsibility is to do what we can,
learn what we can,
improve the solutions,
and pass them on."

Richard P. Feynman, theoretical physicist
