### *Companionship*

*It isn't that we talk so much,  
Sometimes the evening through  
You do not say a word to me,  
I do not talk to you.  
I sit beside the reading lamp,  
You like your easy chair,  
And it is joy enough for me  
To know that you are there.*

*It isn't that we go so much,  
Sometimes we like to roam  
To concert or to theater,  
But best of all is home.  
I sew a bit or read aloud  
A book we want to share,  
And it is joy enough for me  
To know that you are there.*

*It isn't that you tell me  
The thing I've come to know.  
It goes too deep for words, I think,  
The fact you love me so.  
You only have to touch my hand  
To learn how much I care,  
And it is joy enough for me  
To know that you are there!*
