All creatures great & small

Elaine Sandra LaFontaine

January 31, 1947

October 2, 2020

Music was always important to Elaine. As a young girl, she spent many happy hours playing her records and later listening to her brother Gilles play his guitar or Auntie Jeannette on the piano. She enjoyed movies with singing and dancing, one of her favorites was "Sister Act". Somehow she became a huge fan of Michael Jackson and had quite a collection of pictures of her idol.

Most days, at St. Paul's, Elaine could be found in the common room busily enjoying her favorite pastime, coloring. She spent hours at this and was most careful to stay within the lines even when her eyesight was fading. She also enjoyed playing bingo, especially if she won and was always front and centre whenever live entertainment was on the agenda.

Elaine spent the last 12 years of her life at St. Paul's and considered it her home.

Elaine passed away peacefully on Friday, October 2nd, at St. Paul's.

Elaine was predeceased by her parents and her brother Marcel. She leaves to mourn her siblings, Adrienne (Gene) Hrabarchuk, Remi (Denise) LaFontaine, Gilles (Kym) LaFontaine, and Louis LaFontaine, many nieces and nephews and cousins. She will be sadly missed and forever in our hearts.

Elaine was born in The Pas, on January 31, 1947 to Arthur and Eleanore LaFontaine, the third eldest in a family of 1 sister and 4 brothers.

She was special gift to our family and was dearly loved. She spent her early years in The Pas, then moved with family to Thompson in 1969 where she resided until relocating back to The Pas to live with her brother Marcel.

She and Marcel spent many happy years together at Pineview Lodge until a broken hip required more care than could be given at home. She then became a resident of St. Paul's Personal Care Home, where she had a cozy room surrounded by the things she loved, her "stuff" as she called it.

Elaine had a pure and simple soul and a heart full of love. She had a special soft spot for all God's creatures; wild or tame, but mostly she loved cats and kittens of all kinds; even including the toy animated ones that kept her company right to the end.
