Obituary

Barry Lamont Stone Sr. was born on August 22, 1975, in Cincinnati, Ohio, with his twin brother Larry Le'Mark Stone. He was the son of Celeste W. Stone and Larry Sims- Richardson.

Barry departed this life on September 22, 2026, knowing his family and friends loved him so much.

Barry attended Aiken High School and ITT Technical College, where he received his associate degree in computer engineering. This was the best field for him because he was able to take anything electrical apart and figure out how to repair it without any instruction. He was the family go-to person when you needed anything electrical repaired. Even when he was at the end of his life, he was still showing the electronic things he had put together for his own entertainment.

Barry made friends easily. He was very charming and was a ladies' man. He was nicknamed by his friends in Northside, B-Love, because they knew many women were attracted to him. He was the Northside Legend 4200. Barry left his mark on anyone who he met throughout his life and would always make you feel comfortable and welcome around him.

Barry was a sweetheart and kind to many people. You always knew when Barry was in the room, he would be standing in the middle of the floor telling some elaborate story or joke that he heard about someone just to get a laugh. He loved to dress up and party with his family and friends. You couldn't tell him he wasn't the best dressed man in the room. Barry never wanted to say Goodbye; he would say see you later. We, as his family, children, and friends, will hold him tight in our Hearts and know that he would always be here with us.

Preceded in death by his mother, Celeste Stone; grandmother Corrine Lee; son Barry L Stone Jr.

Barry leaves to cherish his memories with his twin brother Larry L Stone, his fiancé Gloria Clark, his sisters Katherine (Demetris) Page and Angel Stone, and his brother Eugene (Geno) Conswella Stone.

His loving children: Larry, Le'Mark, Eugene (Melo), Ajani, Katherine, Trayona, Paishence. Barry had a host of nieces, nephews, uncles, aunts, and cousins. Special long-life friends: Dewayne (Man) Cody, Kono Furr, and Donte' Cogar, and many other friends from Northside/Laurel Homes.
