Until we meet again
On the beautiful streets of gold
We'll carry you with us
As our lives continue to unfold.

We'll cry, We'll smile, We'll laugh
At the memories and thoughts of you
We'll celebrate you being home
Where your mind and body are new.

We'll look for you in the sunrises,
And We'll talk to you at night
We'll imagine you with Jesus
And know that you are alright.

"Bye Mama" isn't forever
We'll join you when it's our turn.
Until then stay close to us in spirit
We still have lots to learn.

Bye Mama, We Love for Always
