A Tribute to the Life of
Allen Akin

*A Founding Member of
The Mercedes-Benz Club
Middle Georgia Chapter*

Life should Not be a
boring or uneventful
Journey to the Pearly Gates
that concludes with a
calm and quiet arrival,
Safe and sound in a pristine
well-preserved body.

But rather to finish with
a Grand Entrance,
skidding in sideways,
taking the Checkered Flag
on squealing wheels with
flat-spotted, thread-bare tires,
curb-rash and brake dust,
driven hard and put up wet,
aged with rust & full of dents,
While laughing and shouting,
Wow! What a Terrific Ride!

God Speed, Dear Friend,
You've Won the Race.
From Your Friends of the
Middle GA Chapter of MBCA
