REFLECTIONS OF LIFE

Timothy Terrell Shelby

"Be still before the Lord and wait patiently for him." | Psalms 31:7 (KJV)

I, Timothy Terrell Shelby, was like any mortal man.

I WAS BORN: Life was given to me in Jackson, MS. I was the son of Frederick and Marilyn Shelby. I am now rejoicing with those that preceded me in death: my grandmother, Rosie "Nell" Shelby, aunts: Ora Lee Grant, Janice Kirkland, Claudine Clark-Brown, and uncle, Lawrence Green. My siblings now living are Imario, Cedric, Candance, and Amanda.

I LIVED: I gave my life to Christ, was baptized, and joined church at an early age. I joined and became a member of Wolf Lake Baptist Church. Throughout my earthly years, one of my greatest passions was my dogs. I loved, enjoyed, and cherished every moment spent with them. They were more than pets; they were loyal companions, faithful guardians, and a source of comfort, joy, and unconditional love throughout my life.

MY EARTHLY LIFE: Sustaining many years, I shared the company of a significant other, Angel Boyd, special confidant, Varonica Lawyer, a friend, Moeisha Nolan, and distant friend, Ashely Wiggins. I leave behind 5 wonderful children, 2 girls and 3 boys: Na'Ziya, Tim'Asia, Mason, Timothy Jr., Armani, and a host of nieces, nephews, other relatives, and friends.

I DIED: On Monday, May 25, 2026, my soul returned to God who gave it.

SILENCE: No longer will you hear my voice or see me here on earth, because I was tired, I was weak, and I was worn. I was ready for God to "Take my hand and lead me home."

TRIBUTES OF LOVE

Daddy,

We miss you every day. We miss your hugs, your smile, and the love you gave us. Even though we can't see you, we carry you in our hearts. We think about you often and remember the happy times we shared. Thank you for being our dad. We love you and miss you so much. Forever in our hearts, Love your Boys - Mason, Nolan, and Timothy Jr.

A Daughter's Promise

I promise, Dad, I will carry forward the values you lived by each day. I will honor your memories through kindness and keep your spirit close along the way. Though saying goodbye breaks my heart, I know one thing is true: no matter where life leads me, part of me will always belong to you. Love forever and always, Your daughter, Na'Ziya

Our Precious Baby Boy

Our hearts are broken as we stand here today, To honor our precious son and say goodbye. No parent ever imagines this moment, No words can fully express the pain we carry inside. From the day you entered our lives, You filled our home with love, laughter, and joy. You were our blessing, our pride, our greatest gift, And we will forever be grateful that God chose us to be your parents. Though your time with us was far too short, The love you gave will last a lifetime. Your smile could brighten any room, And your spirit touched everyone who knew you. We will miss your voice, your hugs, your laughter, And all the dreams we shared for your future. But we find comfort in knowing that love never dies, And neither will the memories we hold so dear. Today, we release you into God's loving arms, Trusting that you are at peace and surrounded by light. Until the day we meet again, You will remain forever in our hearts. You were our baby boy, Our treasured gift, our endless joy. And though we must say goodbye for now, Our love for you will never fade. Sleep peacefully, sweet son. Mom and Dad love you today, tomorrow, and always. Forever and ever.

My dear brother, Tim

You were more than my brother, you were a piece of my heart, A constant source of strength and love, from the very start. As your baby sister, I always felt safe knowing you were there, With your wisdom and laughter, you always seemed to care. You walked ahead and showed the way, helping me through life's storms, Offering encouragement and protection with arms that were always warm. Today my heart is heavy, for I must say goodbye, But the love we shared will never fade, No matter how much time goes by. I will miss hearing your voice, seeing your smile, and calling your name, Yet in my heart, dear Tim, your spirit remains the same. Though heaven has called you home, and we are temporarily apart, You will live forever in my memories, and forever in my heart. Thank you for being my brother, For every lesson, every laugh, and every prayer. I will always be proud to be your baby sister. Rest peacefully, Tim. Until we meet again. I will cherish your love and carry it with me wherever I am. Forever loved and never forgotten, Your Baby Sister Manda

To My Little Brother

Today, I say goodbye to more than a brother - I say goodbye to a piece of my heart. From the day you came into this world, I knew my life would never be the same. Watching you grow, protecting you, laughing with you, and sharing life's moments with you are memories I will cherish forever. You were not only my little brother; you were my friend, my partner in countless adventures, and someone I could always count on. Your smile could brighten the darkest day, and your spirit brought joy to everyone around you. I never imagined a day when I would have to stand here without you. The pain of losing you is deep, but so is the love I will always carry for you. No amount of time or distance can ever change that. Though your journey on earth has ended, your memory lives on in every lesson you taught me, every laugh we shared, and every moment we spent together. I will carry those memories with me for the rest of my life. I promise to honor you by living with the same strength, courage, and love that you showed so freely. I will speak your name often, tell your stories proudly and keep your spirit alive in my heart. Rest peacefully, little brother Tim. Until we meet again, know that you are deeply loved, greatly missed, and will forever be a part of me. Your big brother, always and forever.
