Obituary

Teia Maria Murphy, born on November 9, 1959, transitioned peacefully from this life on July 25, 2026. A devoted daughter, mother, sister, and grandmother, she embraced her family and friends with boundless love and warmth. Teia will be deeply missed by her son, Rashawn (Chelsey) Murphy, her daughter, Chamika (Michael) Ross, her father, Alex Tolliver, and her siblings, Bonnie (Milton) Franklin, Kevin Tolliver, and Chris Tolliver.

Teia's legacy lives on through her cherished grandchildren: Preston, Ian, Brooklyn, Haylee, and Mahzi, who brought immense joy to her life. Her spirit and kindness touched the hearts of many, leaving behind a radiance that will never be forgotten.

Teia was preceded in death by her Mother: Janice Murphy.

Teia was the life of the party, bringing laughter, joy, and light wherever she went. She cherished every moment spent with her family and friends and loved being surrounded by the people she cared about. She also shared a special bond with her granddog, Missy, who brought her endless love and companionship. Teia had a caring and selfless heart, always finding happiness in helping others and seeing them smile. She devoted herself to caring for those around her, often putting the needs of others before her own, and her kindness, generosity, and unwavering love will forever be remembered by all who had the privilege of knowing her.

*Lovingly Submitted,
The Family*

Mom, your love was my safe place, Your kindness lit my way. Though you're no longer by my side, Your love is with me every day. I'll carry you within my heart Until we meet once more. Forever your daughter, forever grateful, Forever loved.

I LOVE YOU, MIKA

*Mom, you taught me strength and love, And how to stand up tall.
Your guidance shaped the man I am, Your love meant everything.
Though I miss you every day, Your memory will never fade. Forever
be your son with all my love, Until we meet again.*

I love you, Ray

*If flowers grow in Heaven, on land that's wild and free, Lord, place
some in my sister's arms and tell her they're from me.
Please tell her that I love her and miss her every day, and tell her there's
still so much that I would like to say.
Remembering her is easy; she's in everything I do. I miss her so much
every day, but I know she's safe with You.
If tears could build a stairway made from all the pain, I'd walk right up
to Heaven and bring her back again.
Lord, please take care of her, and I hope that she will see that she was
such a special person and a special sister to me.*

– I LOVE YOU MORE, NECCIE.
