Go Home To Heaven

Dear Enola,

Go home to God in Heaven

Who loves you as much as we

Where joy is there to surround you

Where your spirit is finally free

Go home where there is no suffering

To Heaven's rest and its love

Where torment and pain never enter

No sickness or sorrow above

Go home to everlasting comfort

Into God's tender embrace

Where His healing removes all suffering

No more sadness or worries you'll face

Go home and in peace watch over us

Yet forgive us if we still weep

Tearfully trusting your beautiful soul

For the angels in Heaven to keep
