WHEN TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me,
I wish so much you wouldn't cry the way you did today,
While thinking of the many things, we didn't get to say.
I know how much you love me, as much as I love you,
and each time that you think of me, I know you'll miss me too.
So when tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right here, in your heart.*

BROTHER,

*You went away so suddenly and no time to say goodbye.
But brothers and sisters can't be parted
Because precious memories never die.
Love Your Brothers and Sisters*
