## Footprints in the Sand

One night I dreamed I was walking along  
The beach with the Lord. Many scenes from  
My life flashed across the sky. In each scene  
I noticed footprints in the sand.  
Sometimes there were two sets of footprints,  
Other times there was one only.  
This bothered me because I noticed that during  
The low periods of my life, when I was suffering  
From anguish, sorrow or defeat, I could see only  
One set of footprints, so I said to the Lord,  
“You promised me Lord, that if I followed you,  
You would walk with me always.  
But I have noticed that during the most trying  
Periods of my life there has only been one set of  
Footprints in the sand. Why, when I needed  
You most, have you not been there for me?”  
The Lord replied, “The years when you have  
Seen only one set of footprints, my child, is  
When I carried you.”
