*Go
Rest High*

When I Am Gone

*When I come to the end of my journey,
And I travel my last weary mile,
Just forget, if you can, that I ever frowned –
And remember only my smile.*

*Forget unkind words I may have spoken;
Remember some good that I have done.
Forget that I ever had heartache,
And remember I've had so much fun.*

*Forget that I stumbled and blundered,
And sometimes fell by the way;
Remember that I have fought some hard battles,
And won by the close of the day.*

*Then forget to grieve for my passing –
I would not have you sad for one day;
But in summer, please gather some flowers,
And remember the place where I lay;*

*And come in the shade of evening,
When the sun paints the sky in the west;
Stand for a moment beside me,
And remember me at my best.*
