*The Family Chain*

*If love could have saved you,  
You would not have died.  
If tears could bring you back,  
You'd be by our side.  
It broke our hearts to lose you,  
But you did not go alone;  
For part of us went with you  
The day God called you home.  
God takes us one by one  
And breaks the family chain.  
But somewhere in a better land  
Our chain will link again.*
