In Loving Memory
Gregory Curtis Buchert
1961 ~ 2020

When I come to the end of the horizon
And enter the other side
Remember me with fondness
Cry for me no more

I have found my final resting place
That special spot to fish
Remember the time that we shared
You too, I will miss

This is the journey I must take
And I must go alone
Know that my heart is with you
As I take this journey home

To that final fishing hole
For fishermen like me
To tell the biggest fishing tales
About the one that got away

Remember me with fondness
This is not goodbye
It is "Till we meet again"
At the fishing hole in the sky
