### From Mom to Ke'Land

My son, I miss you so much the tears won't stop stop falling  
I will always remember you somehow  
You were goofy and also the loving heart you had  
I know you're looking down on us so glad  
God gave me 23 years to love you and watch you grow into an  
amazing son, grandson, brother and father  
Yes, it hurts terribly but you're with me spiritually  
Just to have one more day, one more hug, one more chance to  
say I love you would mean everything to me  
I know you are at peace and you're resting with your heavenly  
father and he is everything that you need until I see you again  
You will always be on my mind and in my thoughts  
I love you so much  
-Mom
