

Acknowledgements

The Family would like to take this opportunity to extend our heartfelt thanks and gratitude to the host of friends for all of the kind and thoughtful deeds rendered during our time of bereavement. Whatever part you played, it was not unnoticed. Your kind and generous expressions of love, the many phone calls, visits and most of all, your prayers have been our strength and comfort during this time. May God bless and keep each and every one of you.

A letter from Danoo

I know my departure wasn't something you were ready for, but Hold on to the laughs, the memories, the fights, the tears, but most of all, the love we shared in our own way. To my mama and my dad, thank yall for being and doing the best you could, to my siblings i love yall and know that I'll forever be with you and watching over my nieces and my nephews This isn't good bye, but I see you later , signing out Danoo
