

## Our Dear Mother, LaRae

Our dear mother will always be loved and adored,  
To have had her in our lives was a great reward.

Her kindness and wisdom will forever remain,  
A guiding light through joy and pain.

She endured many challenges from such a young age,  
Yet her strength and courage set the stage.

We will always cherish the memories we made,  
Through laughter and love, they'll never fade.

There is no doubt that she will always be near,  
She would want us to go on and to persevere.

Her great mission in life was to be a mother,  
A love so pure, unlike any other.

Through all of the choas of raising six kids,  
She gave us her all, no matter what she did.

With all of the mistakes and heartache we brought,  
Her love never wavered, not once was it fought.

Her mission here on earth has been fulfilled,  
A legacy of love and strength she instilled.

May we live by her example, so kind and true,  
And honor her spirit in all that we do.

We love you, Mom, with hearts so sincere,  
Your light will guide us year after year.

Sincerely, Heather Parkinson

## *In Loving Memory*
