## **Obituary of Jeffley Jeffried Edouard**

### **Philippians 4:8**

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.

Paul was imprisoned and despite his circumstance, Paul repeatedly emphasized joy, peace, and steadfast faith.

Today we gather with heavy hearts, but also with gratitude—for having known, loved, and been loved by Jeffley Jeffried Edouard. While this loss is deeply painful, it is also a reminder of how meaningful Jeff's life truly was. Jeff was born July 9th 1996 in Port-De-Paix Haiti at 5pm and is survived by Marie R. & Jocelyn Edouard (parents), Marie Clode Obbersant (Aunt & Second mom), Timaya P. Bolden (Fiance), Johny (godfather), Johnson, Ralph Corlbert and Stanley Edouard (Brothers)

Paul knew that what people dwell on mentally affects how they live spiritually, especially in difficult seasons. As we celebrate Jeff's life I urge you to hold on to the following.

### **Truth**

From the moment Jeff was formed in our mother's womb, January 7rd 2026 was determined. This is God's timing. There is nothing any of us could have done to change what occurred on January 7th 2026. To say or think otherwise is to minimize who God is.

### **Noble, Right, Pure, Lovely**

Jeff battled these last few years and never did that limits how much he loved and showed up.

Jeff never felt sorry for himself, as he encountered road blocks after road blocks. He was always looking to the next goal. He was always chasing his passions and good luck talking him out of it. Jeff became an automotive Tech. I am still not sure where he received his training from. All I saw was the endless supply of tools and cars he bought at auctions. Before I knew it he showed up to my house with a Grey button down shirt and the white name patch with Jeffley written across it and his hands covered with grease. That was Jeff, he always figured it out.

### **Admirable**

He never gave up, life gave him plenty of excuses to do so. JEFF DID NOT QUIT! Jeff never stop seeking Christ never stopped chasing his passions never stop showing up for his family never stop showing up for his fiancé never stop showing up for many of you here and always with a smile.

The day Jeff passed, his plans were to go to the financial aid office at WCC, as he started the enrollment process to begin taking classes to work towards a degree in Cyber Security.

Up until his last breath he fought. From what I saw and what Timaya told me, Jeff fought. Pieces of furniture scattered on the floor, his hats (Yankee fitted, Dreamville) scattered and the mental video that plays over and over of Jeff grabbing the coconut water from Timaya and pouring it on his head as he fought to breathe. His body failed him but JEFF DID NOT QUIT.

As we mourn, let's hold on to the things that were excellent or praiseworthy.
