

P.S I Love You
by The Hilltroopers

Dear, I thought I'd drop a line
The weather's cool, the folks are fine
I'm in bed each night at nine
(P.S. I love you)

Yesterday we had some rain
But, all in all, I can't complain
Was it dusty on the train?
(P.S. I love you)

Write to the Browns just as soon as you're able
They came around to call
I burned a hole in the dining room table
And let me see, I guess that's all
Nothing else for me to say
And so I'll close but, by the way
Everybody's thinking of you
(P.S. I love you)

Write to the Browns just as soon as you're able
The came around to call
I burned a hole in the dining room table
And let me see, I guess that's all
Nothing else for me to say
And so I'll close but, by the way
Everybody's thinking of you
(P.S. I love you, love you, love you, love you)

On behalf of the family...

To those of you who have come to share in this hour of remembrance; to those who have extended expressions of sympathy and offers of assistance during bereavement; to those who assisted on the program and cared for the flowers and any others who may have helped in any way, Thank you. May we say that your kind expressions of sympathy and caring are more deeply appreciated than any words can ever express.

FUNERAL HOME

A family forever is one of the greatest gifts I know. This sacred truth has been taught to me still even as I grow. A family forever is what I wish to achieve. A family forever is hard for some to believe. When I go to bed each night, I think the Lord above. For sending me to a family that's filled with so much love. A family who cared enough to always want to be together forever hand-in-hand as a family. When it's my turn to leave this earth I can go willingly because I know our family is forever and goes on eternally.

Thank you mom and dad,
 Jennifer
