

## Dear Mother

Dear Mother, Thank you for your  
Wisdom you've shared over the years.

Thank you for letting me share my tears.

Thank you for loving me,  
Even when I make mistakes.

I'm sorry if I ever caused your heart to ache!

Thank you for sharing your beautiful talents,  
And helping me find my own.

Thank you for showing me what's most important  
When making a home.

I love your laugh and smile,  
Your kind eyes too.

But most of all the way you've been,  
The best mom and friend,  
Oh, how I need you!

Rebecca Lee Kissel
