Tribute

TO OUR MOM IN HEAVEN: Life has been so different without you, but we still feel you by our side. There has not been a day that you haven't crossed our minds. Your laughter, your knowledge and your love are stitched in our hearts. We miss our talks, we miss your hugs, and we miss your guidance... WE MISS YOU. You were more than just our mom, for some of us you were our rock, for some of us you were our biggest fan, for some of us you were our best friend, but for all of us you were our everything. Your strength will always inspire us to live our lives to the fullest. Everything you have taught us will stay with all our minds forever, you showed us what was important and the beauty of unconditional love. You live on in every part of us and we will be forever grateful to have had you as our mom. Love You Mommy, Your Clan.
