"It's Your World Now" by The Eagles

"... A perfect day
The sun is sinkin' low
As evening falls
The gentle breezes blow

... The time we shared
Went by so fast
Just like a dream
We knew it couldn't last

... But I'd do it all again
If I could, somehow
I must be leavin' soon
It's your world now

... It's your world now
My race is run
I'm moving on
Like the setting sun

... No sad goodbyes
No tears allowed
You'll be alright
It's your world now

... Even when we are apart
You'll always be in my heart
When dark clouds appear in the
sky

Remember true love never dies

... But first a kiss
One glass of wine
Just one more dance
While there's still time

... My one last wish
Someday, you'll see
How hard I tried
And how much you meant to me

... It's your world now
Use well the time
Be part of something good
Leave something good behind

... The curtain falls
I take my bow
That's how it's meant to be
It's your world now"
