

My Hero

*You held my hand
When I was small
You caught me when I fell
You're the hero of my childhood
And my later years as well*

*And every time I think of you
My heart still fills with pride
Though I'll always miss you, Dad
I know you're by my side*

*In laughter and in sorrow
In sunshine and through rain
I know you're watching over me
Until we meet again*
