## A Mother's Love

A mother's love is a bond that endures,  
A flame that forever burns and assures.

It's a selfless love, that never fades,  
A beautiful connection that's always made.

A mother's love is a warm embrace,  
A guiding light to find our place.

It lifts us up and helps us stand,  
A love that's strong and will never end.
